Klara Weaver

10:50 AM

Technical Skills Assessment: "The candidate showed strong skills in algorithms and data structures but struggled with some system design concepts. Further discussion could clarify their knowledge"

Jennifer Martinez

10:50 AM

Overall Impression: "The candidate has a solid foundation in software engineering and a willingness to learn. They may need training on our tech stack, but I recommend a second interview to assess their potential"

Type a message

Evaluations

Update

Overall Rating

4.0

Good potential with some training

Technical Skills

Solid skills but lacks experience in cloud technologies

Problem-Solving Ability

Exceptional analytical abilities; quickly identified solutions

Communication Skills

Good communicator, though could improve presentation of technical ideas

Cultural Fit

Great attitude and team-oriented

Adaptability

Shows willingness to learn and adapt
